

Lots of free worktop space?

You may find that your kitchen has a long run of units and you have more workspace than you know what to do with. If tall units don't fit into the design of your kitchen then you can opt for dresser units instead.

**DRESSER UNITS
WORKTOP MOUNTED**

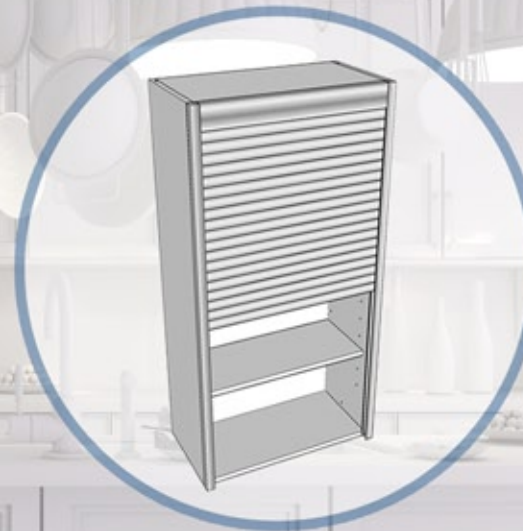

Create a kitchen feature

Dresser units are mounted neatly onto your worktops and give you additional storage, as well as nice little features for your kitchen that can also be used to showcase items of cutlery or ornaments.
